

FIFTH ANNUAL

# HOME AND ENERGY EXPO

Charging into the future with electric cars and mass transport

**Saturday, March 17, 2012**

**10AM - 4PM**

**Lawrence High School**

2525 Princeton Pike Lawrence Township

Admission and parking are free

Local, fresh food will be available for purchase.

Special programs for children of all ages.

This event is focused on practical the application of sustainable concepts to improve the efficiency of homes and, at this year's EXPO, we will explore alternative methods of transportation.

- An expo floor will house over 40 exhibitors demonstrating products and services available to residents of Lawrence Township and surrounding areas.
- See the new electric vehicles and bikes at the parking lot exhibits
- Gain practical insight from neighbors and hands-on demonstrations.
